The presented documents of the Russian State Military-Historical Archive, the “Project for the Division of Administration” dated 1839, prepared by the Commander of the troops on the Caucasian Line and in Black Sea Area P.Kh. Grabbe, contains information on the division of the peoples of the North Caucasus within the framework of the bailiff administrative system. The police system was one of the stages in the gradually emerging system of administrative management of the Caucasian peoples.

Keywords: Caucasian line, police department, chief bailiff, private bailiff, P.Kh. Grabbe, A.P. Pullo.
